Learning updates...

We have been feeling very Christmassy this week in Year One. We have been practising for our Christmas Carol Service - we can't wait to sing them to you all! In our topic this week we followed our designs to make a moving toy for a child in Reception. We are looking forward to giving them as gifts next week.

We also had a visit from Freddie Finance. He gave us the task of making £5 grow! We spoke about what we could make at the Christmas Fair and have been busy producing a product for you to buy. This has also included making posters!

If you have any toys that you could donate to the toy sale at the fair please give these to the office by Tuesday morning.
