

# THE CLOVER HILL OBSERVER

Week ending 2.2.18

## Reception Newsletter

### Maths

In maths we have been adding by counting up two groups of fire engines. Some of the children have even been counting on using a number line to help them do their adding! We have started finding out about estimating and counting to find 'one more' and 'one less' than a number.

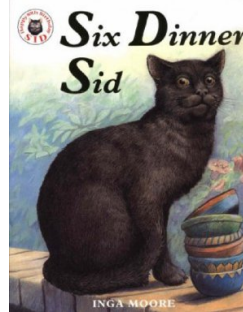

### Art

Look out for the lovely fire-fighters and fire engines art work going up in the classrooms very soon!

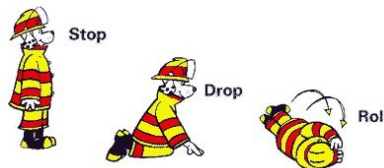

### Six Dinner Sid

The children have been working very hard to retell *Six Dinner Sid* with words and sign language, and in our classes we have story-boarded the whole story!

### Topic

We have been learning about Firefighters and people who help us in school. The children have been writing about fire safety.

### Show and Tell

We have talked a lot about various different New Year celebrations from around the world this half term. What are you looking forward to in Spring time? Perhaps you are looking forward to doing something outside? Or seeing new things growing? Tell us all about it!

### Futures Day

Next Thursday (8<sup>th</sup> February) Children can come to school dressed up in suitable 'jobs' fancy dress.
