

# Clover Hill Infant School Pupil Premium Strategy Statement 2019-20

1. Summary information					
School	Clover Hill Infant School				
Academic Year	19/20	Total PP budget	£48,840	Date for next internal review of this strategy	September 2020
Total number of pupils	137	Number of pupils eligible for PP	37		

2. Current attainment at end of KS1 2018		
	<i>Pupils eligible for PP at Clover Hill</i>	<i>Pupils not eligible for PP (national average)</i>
% achieving in reading, writing and maths	75%	65%
% achieving expected standard in reading	81%	75%
% achieving expected standard in writing	75%	69%
% achieving expected standard in maths	81%	76%

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b>	
<b>A.</b>	<p>Lower attainment in the basic skills of reading, writing and maths on entry into reception than non-PP</p> <ul style="list-style-type: none"> <li>- Some PP children do not gain as much competence in basic numeracy and literacy skills without a high level of intervention by the end of KS1, in comparison to others.</li> <li>- Some PP pupils have less varied vocabulary and life experience than their peers. Without a high level of intervention, this can inhibit their engagement, confidence and access to the curriculum; especially reading activities requiring inference <i>and</i> reasoning about real life problems in maths.</li> <li>- Not enough PP pupils convert to greater depth, including the most-able PP, without a high level of intervention.</li> <li>-In the year 2018-9, 29% of pupils in our school receiving SEN support are PP (nationally 25.8%)</li> </ul>
<b>External barriers</b>	
<b>B.</b>	<p>Attendance rates for pupils eligible for PP are below the target for all children (96%), this reduction in school hour's impacts on their learning</p> <p>Attendance for all children = 95.55%</p> <p>Attendance for PP children = 94.14%</p>
<b>C.</b>	<p>The impact of low income on well-being, family life, experiences and aspirations.</p> <ul style="list-style-type: none"> <li>- There was a high % of welfare cases for pupils who were eligible for PP in 2018-9. Of the caseloads of the pastoral team 51% of children who were eligible for PP received pastoral support 2018-9.</li> <li>- Many of our families, whether on PP or not, have a very low income and find supporting extra-curricular activities, school trips and other experiences challenging.</li> <li>-Many children are not aspirational for their own future.</li> <li>-We have noticed an increase in poor mental health with more children needing a trusted adult to speak with and offer support.</li> </ul>

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
<b>A.</b>	<p>Accelerated progress in English and Maths</p> <ul style="list-style-type: none"> <li>- Extra reading support is given to PP and SEN pupils - those making slower progress are listened to a number of times per week</li> <li>-Pupils work regularly in small groups with the teacher/teaching assistant</li> <li>-All PP and SEN pupils are frequently, carefully tracked and monitored against national NONPP by class teachers. Every class teacher contributes to, the setting of target goals for the key stage journey, especially for those of strong ability making more than.</li> </ul> <p>Specific tracking happens, and sessions are planned for those pupils that are no progressing as well as they could.</p>	<p>Improved progress and attainment across the school of identified groups.</p> <p>Those pupils who are eligible for PP close the gap or achieve better than, national NONPP, including those that are of high ability.</p> <p>Children with SEN and PP make good progress from their starting points.</p>
<b>B.</b>	<p>Attendance rates get better for pupils eligible for PP, that are below target, including those that are persistent absentees – moving closer toward in line with the target of 96% attendance for all.</p> <p>2018-9 Attendance for all children = 95.55%</p> <p>Attendance for PP children = 94.14%</p>	<p>PP pupils, who have poor attendance, spend more time in school – as a result, there is an improvement in progress for those pupils.</p>
<b>C.</b>	<p>Pupils enjoy school and have positive attitudes and well-being</p> <ul style="list-style-type: none"> <li>-PP pupils and their families can access support that meets their needs, as quickly as possible, via a multiagency approach to mentoring/parenting/social care/hardship.</li> </ul>	<ul style="list-style-type: none"> <li>-THRIVE assessments and observations, pupil perception questionnaires are used to effectively identify children who need support and action plans can direct focused interventions.</li> <li>-Welfare outcomes for pupils eligible for PP are quickly satisfied; helping to address, support and improve issues so that pupils are not inhibited in their learning and progress, whilst at school.</li> </ul>
