

Autumn Term, first half, 2020

Year 1 Learning

Marvellous Me!

The first weeks of term will focus on getting to know each other. Our afternoon learning will be led by the theme 'Marvellous Me!' Below is an overview of the curriculum areas that we will cover this half term.

Science

We will learn to identify, name, draw and label parts of the human body.

We will learn about the human body and our five senses.

We will explore the question: What happens to our body when we exercise?

History

When looking at baby photos we will explore how we have changed.

We will discover what a timeline is.

Geography

We will explore different maps, atlases and globes.

Together, we will locate places that are important to us.

We will also locate where different fruits are grown.

Design Technology

We will design, make and evaluate a fruit-based snack.

We will also investigate where different fruits come from.

Art and Design

We will explore different drawing tools.

We will draw fruit from first-hand observations.

We will explore the work of Giuseppe Arcimboldo.

Jigsaw

A mindful approach to Personal, Social, Health Education.

Unit 1: Being me in my world

We will explore:
Feeling safe and special
Belonging
Choices and consequences
Feeling valued & contributing
Breathing exercises

Computing

We will learn to navigate within digital content, such as an online picture book or maths game.

PE

Yoga! We will learn a sequence of movements using balance and control.

We will explore the question: What happens to our body when we exercise?

Music

We will be developing an understanding of pitch through using movement and instruments.

We will also identify contrasts of high and low pitches when listening to animal chants and songs.
