End of Spring Term 2021 Newsletter

Dear Parents and Carers,

We are at the end of yet another term, and this one certainly has been different! Partly in lockdown so remote learning at home and partly in school with all the children learning together! However, it has been great to all be in school for these past three weeks. I am sure that the children only realised what they enjoyed about being in school when they had it taken away! Hopefully, light is at the end of the tunnel now and we will gradually be seeing restrictions lifted.

A few of the successes from the last 3 weeks!

- We have had 95.9% attendance since coming back which is vastly above the national average.
- We have had no covid cases in school.
- Clover Hill has again been awarded the Green Flag for its Eco work. Well done everyone!
- The children have made really good progress in their ReadWrite Inc.
- Children have been taking part in the 'What's under your feet?' campaign to help scientists
- KS1 children have enjoyed Easter Egg hunts!

New Lunch Menu after Easter

We are really pleased to be able to offer hot lunches again after Easter. Please keep the new menu safe so that you know what to order.

Green Flag

Well done Clover Hill for being awarded the Green Flag again for our Eco work! Super achievement!

Earth Hour

At 8.30pm on Saturday 27 March 2021, hundreds of millions of people across the world will be switching off their lights and coming together to celebrate Earth Hour. Our children have a vital role to play in achieving a more sustainable world and, by taking part in WWF's Earth Hour, they can make a promise to protect it for future generations. Encourage your whole family to take part!

Parent Voice Survey

We are keen to hear what you have to say about what the next steps for the school may be, especially as Covid has changed the way we all do things. Some of what we have had to put in place you may think needs to stay! You may be thinking that we need to address other issues now. Please take time to have your say. This survey will be active from Friday 26th March to Tuesday 13th April.

The Road Map out of Lockdown. What can we do next?

From 29 March:

- you will be able to meet outdoors either in a group of 6 (from any number of households), or in a group of any size from up to 2 households (each household can include existing support bubbles, if eligible)
- you will be able to take part in formally organised outdoor sports with any number of people (outdoor sports venues and facilities will be able to reopen)
- childcare and supervised activities will be allowed outdoors for all children
- formally organised parent and child groups will be able to take place outdoors for up to 15 attendees. Children under 5 will not be counted in this number

From 1 April, if you have been identified as clinically extremely vulnerable you will no longer be advised to shield. However, you should continue to take extra precautions to protect yourself. It is important that you continue to keep the number of social interactions that you have low and try to limit the amount of time you spend in settings where you are unable to maintain social distancing. If you are in this group, you will previously have received a letter from the NHS or from your GP telling you this. [Contact your local authority](#) or speak to your GP if you have any concerns.

Remember that we are still in lockdown despite the children returning to school, so keep safe and follow all restrictions!

Dates for the diary:

Monday 12th April- back to school

Monday 3rd May – Bank holiday (no school)

Monday 31st May – Friday 4th June – Half term break

Wednesday 21st July – End of term

Yours sincerely

HJ McCarney
