

Year 1 Learning

Marvellous Me!

The first weeks of term will focus on getting to know each other. Our afternoon learning will be led by the theme 'Marvellous Me!' Below is an overview of the curriculum areas that we will cover this half term.

Science

We will learn to identify, name, draw and label parts of the human body.

We will learn about our five senses.

We will explore the question: What happens to our body when we exercise?

Art and Design

We will explore different drawing tools.

We will draw fruit from first-hand observations.

Geography

We will explore different maps, atlases and globes.

Together, we will locate places that are important to us.

We will also locate where different fruits are grown.

Design Technology

We will design, make and evaluate a fruit-based snack
We will follow important hygiene rules.

We will also investigate where different fruits come from.

RE

What do my senses tell me about the world of religion and belief?

We are looking especially at the Hindu festival of Diwali.

Jigsaw

A mindful approach to Personal, Social, Health Education.

Unit 1: Being me in my world

We will explore:
Feeling safe and special
Belonging
Choices and consequences
Feeling valued & contributing
Breathing exercises

Computing

We will learn to navigate within digital content, such as an online picture book or maths game.
We will begin to learn how to stay safe online.

PE

We will rehearse under arm and over arm throwing skills, aiming and playing competitive games.

We will learn new playground and parachute games.

Music

We will explore different ways to use our voices.

We will also explore steady beats through using movement, body percussion and instruments.
