What's been happening this week?

This Wednesday marked Mrs McCarney's 20th year as the Headteacher of St. Michaels (though she has actually worked there for 23 years now!) and over 13 years as headteacher of Clover Hill Infant and Nursery. what an outstanding achievement! It is safe to say that Mrs McCarney was taken by surprise when she turned up for training and instead walked into a hall full of staff clapping and cheering, and was presented with a staff breakfast, flowers and gifts! It was clear to see and hear from the speeches and the warmth in the room just how much we all appreciate and admire Mrs McCarney's leadership and genuine care for her schools - a sentiment that was very much returned when she expressed her gratitude for the staff, governors, children and parents of both schools too. Here's to many more happy and successful years ahead... though perhaps not 20 more!
