**EASTER DECORATIONS
50P EACH OR
3 FOR £1**

**EASTER BRACELETS
£1 EACH**

HEAD LICE AND NITS ADVICE FROM THE NHS

ONCE A WEEK,
TAKE A PEEK!

Head lice and nits are very common in young children. They don't have anything to do with dirty hair and are usually picked up from head-to-head contact.

Check if it is head lice

Head lice are small insects, up to 3mm long. They can be difficult to spot. Head lice eggs (nits) are yellow, brown or white (empty shells) and attached to the hair.

How does it feel?

- Itchy!
- like something is moving in your hair

The only way to be sure someone has head lice is by finding live lice or eggs.

You can do this by combing the hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice

You can treat head lice without seeing a GP. Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice.

Use a fine toothed-comb

If you don't want to use chemicals, you can buy a special fine-toothed comb online or from pharmacies to remove head lice and nits. There will be instructions on the pack but you should - use the comb on wet or dry hair - although it usually works better on wet hair with conditioner. Comb the whole head of hair from the roots to the ends.

Repeat every few days for 2 weeks

Use lotion or spray

You can use medicated lotions and sprays to kill head lice in all types of hair. You can buy these from pharmacies, supermarkets or online. Head lice should die within a day. Some treatments need to be repeated after a week to kill any newly hatched lice.

There is **NO** need to keep your child off school if they have head lice.

There is nothing you can do to prevent head lice. You can prevent head lice from spreading by avoiding head-to-head contact.

Don't use medicated lotions or spray to prevent head lice as this can irritate the scalp and skin.

LITTLE RIDERS

Children's Cycling Courses

Learn to Ride Courses @ Norwich

Description

Our Learn to Ride course (4 x 1hr lessons) is designed for children aged 4-10 yrs who would like to learn how to ride a bike with pedals independently.

Dates

Tuesday 2nd to Friday 5th April 9.30-10.30am/10.45-11.45am) @ Cringleford Primary School

Monday 8th to Thursday 11th April (9.30-10.30am or 10.45-11.45am) @ White House Farm Primary School

Saturday 27th April, 4th, 11th, 18th May (9.30-10.30am or 10.45-11.45am) @ Cringleford Primary School

Price

Places on the course cost £50 per child (plus booking fee). Don't worry if your child doesn't have their own bike or helmet as we can lend them both.

10 fun things to do as a family this Spring

Picnic in the Park:
Pack a delicious picnic and head to a nearby park. Enjoy the fresh spring air, play some outdoor games like frisbee or badminton, and relax on a blanket surrounded by nature.

Go on a Nature Walk:
Take a leisurely stroll through a nature reserve or on a hiking trail. Bring a guidebook to identify different plants and animals and take the time to appreciate the beauty of the changing season. Spring is such a lovely time to be outdoors so make the most of it!

Nature Scavenger Hunt:
Create a list of items to find in nature, such as specific flowers, leaves, or even certain types of insects. Go on a scavenger hunt as a family and see who can find everything on the list first.

Bike Ride Adventure:
Explore local bike trails or ride through your neighbourhood together. Spring is the perfect time to enjoy the budding flowers and greenery while getting some exercise as a family.

Pavement Chalk Art:
Head to your driveway or a local park with colourful pavement chalk. Encourage creativity and create vibrant spring-themed artwork on the pavement. Make sure you take a selfie before a spring rain shower washes your creation away!

DIY Bird Feeders:
Make simple bird feeders using pinecones, peanut butter, and birdseed. Hang them in your back garden or a nearby park, and watch as birds come to enjoy the tasty treats.

Fly a Kite:
Take advantage of the spring winds and fly a kite in an open field. It's a simple yet enjoyable activity for the whole family. It's still one of those things that makes us stare in wonder!

Outdoor Movie Night:
Set up a makeshift outdoor cinema in your back garden. Use a projector and a white sheet, and enjoy a family movie night under the stars. Don't forget the popcorn!

Outdoor Yoga or Exercise Session:
Find a peaceful spot in a park or your back garden and practice yoga as a family. Alternatively, engage in a fun and energetic outdoor exercise session, such as a family friendly workout or a game of ultimate frisbee.

**An email has been sent out to all parent/carers
with the application form.**

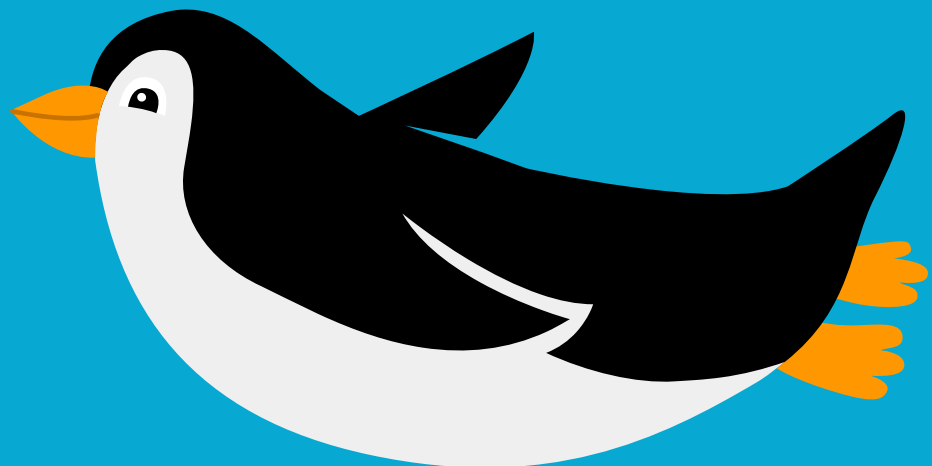

SAVE THE DATE

Join us for a fun-filled 4/5 day holiday
courses which will help your child to learn a life skill
and be more confident in the water.

Big Norfolk Holiday Fun is open for booking! Spring into action this Easter from 02-12 April.

We are pleased to announce that booking is officially open for the Big Norfolk Holiday Fun programme!

BOOK NOW!

CLICK ON BOOK NOW

This scheme is funded by the Department of Education and enables all children who receive benefits-related free school meals to join 4 free sessions of fun - plus your child will receive a free healthy lunch too. If you are not eligible for benefits-related free school meals, your child may still be able to take part. Please speak to your school if you feel your child would benefit from a place. Remember there are also paid for places available.

Children aged 5-16 (or 4 if they turn 5 in August) can take part in lots of different activities to keep them busy and healthy during the school holidays, including outdoor adventures, football, swimming, and drama. Spaces will fill up quickly and we don't want you to miss out so please have a look through the activities today on Every Move.

We are working with providers to make sure that activities are inclusive and accessible for children with additional needs. Please speak to your chosen activity provider as early as possible so that they can help ensure your child's needs are met.
