Planting and Minibeasts!

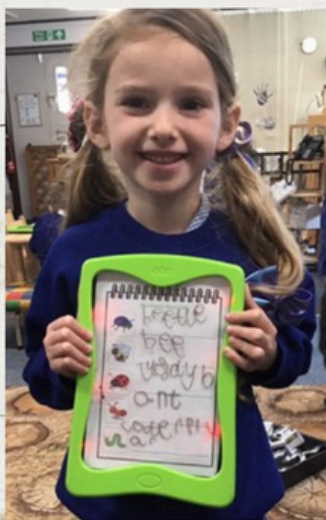

This term, Reception are learning all about Growing, Planting and Minibeasts! This week, Reception received a letter from Joe the Extraordinary Gardener who had delivered us some seeds. We learnt about how important it is to grow plants and trees and decided to plant Joe's seeds.

We had to follow instructions about how to plant a seed and learnt lots of vocabulary including - "grow", "stem", "seed", "root", "nutrients" and "sunlight".

A child planting a seed in a pot

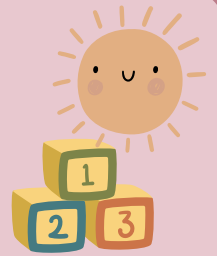

We found out that the seeds will grow into sunflowers and we can't wait to watch them grow! Look at all of the amazing work the children have done around planting and minibeasts... We can't wait to have an "extraordinary" garden just like Joe!

If you have a **child age three before the 31st August this year**, we have nursery spaces available for September.

Please contact Clover Hill Office on 01603 745559.
