# WALK TO SCHOOL WEEK

The week beginning the **20th of May is Walk to School Week**. We will be encouraging the children to walk, scoot or cycle to school instead of using a car. The children will receive a diary to track their progress and earn a reward for their efforts at the end of the week.

Of course, there are some children who live too far from school to be able to walk. If this is the case, can they make 5 journeys outside of school where they choose to walk instead of travel by car, maybe to the shops or to a relative's house.

# GET TO SCHOOL ON TIME!

School starts at **8.45am** so make sure your child is in school ready to start their learning at 8.45am.

***Classroom doors open at 8.40am.***

Remember, being late is unsettling for your child.

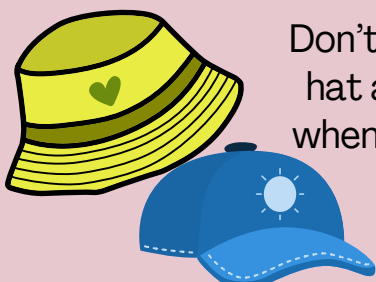

# PLEASE, PLEASE REMEMBER TO ORDER YOUR CHILD'S LUNCH VIA PARENTPAY!

**YOU MUST BOOK BY 8AM ON THE DAY REQUIRED,** or book the full week in advance, so the kitchen have the correct numbers and your child receives the lunch they want.

# SUMMER IS COMING!

Don't forget suncream, sun hat and a bottle of water when the weather is warm!

# REMINDER THAT WE ARE A SCHOOL

Please would all parents/carers ensure that they **DO NOT send products containing nuts into the school.**

We have children with **severe allergies** and we would appreciate your support as a community.

**PRODUCTS LIKE:** Peanut Butter, cereal or chocolate bars with nuts in, e.g. Kinder Bueno bars, Nutella spread and any cakes that might contain nuts.

**PLEASE CHECK INGREDIENTS ON THE FOOD LABEL**

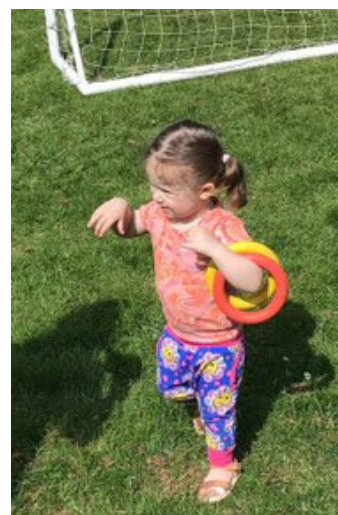

# Little Clovers

Parent and toddler group (0-4yrs old)

Outside play on the field, the weather was amazing and the children had a great time.

Here are some pictures of our brand **NEW Little Clovers toddler group**, every Friday 9:30-11am at Clover Hill for aged 0 to 4 years old. **Inside and outside activities.**

# PLEASE BE AWARE SOME PUPILS HAVE HAD HEADLICE, SO MAKE SURE YOUR CHECK YOUR CHILD'S HAIR

## HEAD LICE AND NITS ADVICE FROM THE NHS

ONCE A WEEK,  
TAKE A PEEK!

Head lice and nits are very common in young children. They don't have anything to do with dirty hair and are usually picked up from head-to-head contact.

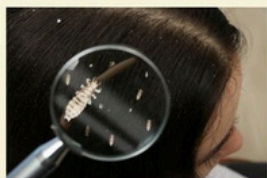

### Check if it is head lice

Head lice are small insects, up to 3mm long. They can be difficult to spot. Head lice eggs (nits) are yellow, brown or white (empty shells) and attached to the hair.

### How does it feel?

- Itchy!
- like something is moving in your hair

The only way to be sure someone has head lice is by finding live lice or eggs.

You can do this by combing the hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

### How to get rid of head lice

You can treat head lice without seeing a GP. Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice.

### Use a fine toothed-comb

If you don't want to use chemicals, you can buy a special fine-toothed comb online or from pharmacies to remove head lice and nits. There will be instructions on the pack but you should - use the comb on wet or dry hair - although it usually works better on wet hair with conditioner. Comb the whole head of hair from the roots to the ends.

**Repeat every few days for 2 weeks**

### Use lotion or spray

You can use medicated lotions and sprays to kill head lice in all types of hair. You can buy these from pharmacies, supermarkets or online. Head lice should die within a day. Some treatments need to be repeated after a week to kill any newly hatched lice.

There is **NO** need to keep your child off school if they have head lice.

There is nothing you can do to prevent head lice. You can prevent head lice from spreading by avoiding head-to-head contact.

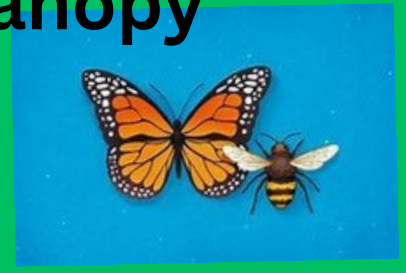

Don't use medicated lotions or spray to prevent head lice as this can irritate the scalp and skin.
