THE SCHOOL KEEPS ME WELL INFORMED?

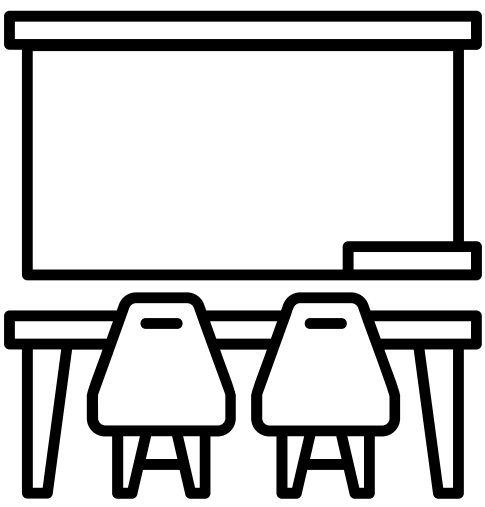

HOW THE SCHOOL COMUNICATES WITH ME ABOUT MY CHILDS PROGRESS AND ATTAINMENT.

1 Tapestry

Tapestry is our online platform we use to regularly communicate.

- Teachers share updates, messages, and photos with parents via the app, providing a window into the classroom.
- It allows for one-to-one messaging, fostering better communication about your child's progress.

TAPESTRY
ONLINE LEARNING JOURNAL

2 Open Classroom

We hold open classroom session each term. This is a opportunity to look at your child's books. A chance to learn more about the classroom environment and have informal conversations with the teachers and team.

3 Parent consultations

We have parent consultation evenings where you can arrange 1 to 1 meetings with your child's class teacher. This can be done in person or over the phone.

4 Phone, Message, in-person

You can always contact the school office to arrange to discuss your child at anytime during the year or message the class teacher directly on Tapestry. Additionally, class teachers will meet and greet at the start and end of the day

5 Reports

You will receive a Mini report in December and March and a full report in July updating you on academic progress, attendance, national curriculum assessment results (where applicable), and comments on behaviour and development.
