What is the seatbelt rule in the UK?

Wearing a seat belt is a **legal requirement for all drivers and passengers.** Drivers are responsible for making sure **children under 14 wear a seat belt.** Passengers aged 14 and above are responsible for their own belts.

You must make sure that
any children in the vehicle you're driving are: in the correct car seat for their height or weight until they reach 135 centimeters tall or their 12th birthday, whichever is first.

You can be fined £500 if a child under 14 years old is not wearing a seat belt. Or if a child is under 135cm tall or under 12years old and is not in the correct car seat.

Children must normally use a child car seat until they're 12 years old or 135 centimetres tall, whichever comes first.
