Dear Parents and Carers,

Use of the Car Park Top Gate –
Morning Drop-Offs and Afternoon Pick-Ups

I would like to take a moment to address the use of the top gate near the school offices and car park.
This gate has recently been opened in the mornings and at 3:05pm to support disabled access and has understandably become a convenient route for many families. However, we have observed some safety concerns, including children running across the car park, playing near vehicles, and misusing the staff bike shelter.
We have considered closing this gate due to these risks. However, we would like to continue allowing access **as long as it remains a calm and safe entrance and exit point.**

To help us keep this gate open, we ask for your support with the following:

- **Please use the path all the way around** and **do not cut across the car park.**
- **Ensure children are supervised at all times** when using this gate.
- Remind be respectful of the area, particularly around parked cars, staff facilities and school offices.

Let's work together to keep this route both safe and convenient for everyone. If safety concerns continue, we may have to close the gate going forward.

Thank you for your understanding and cooperation.

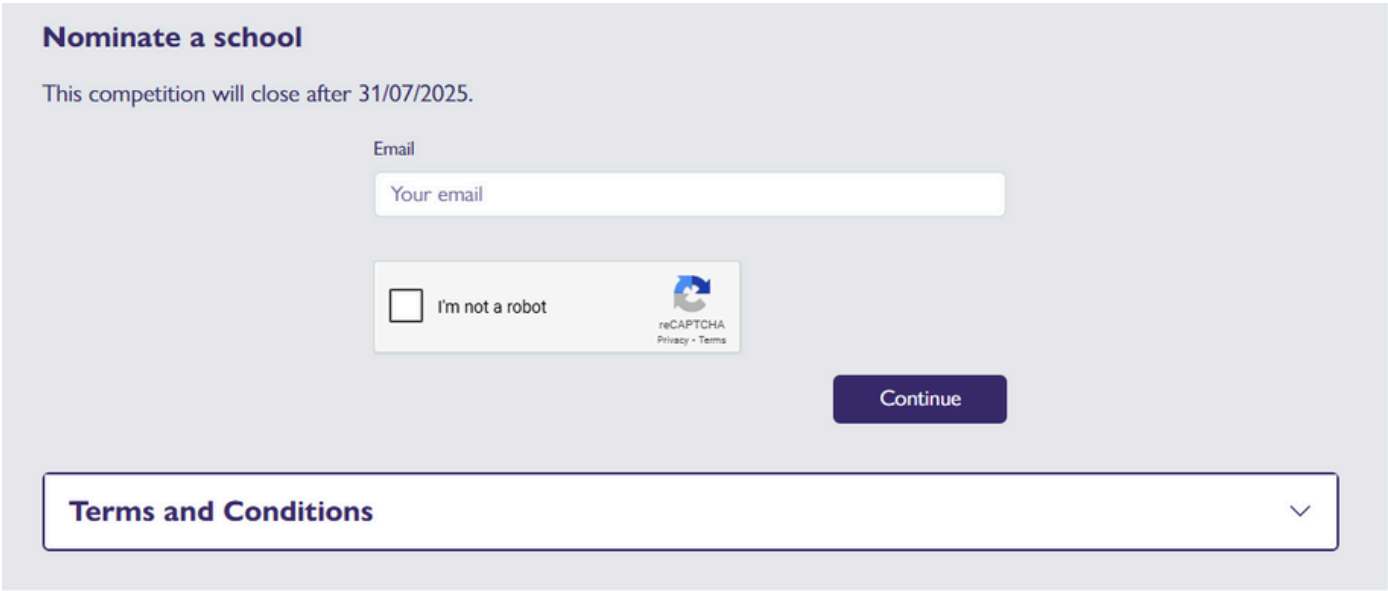

Kind regards,
Mr Bennison
