Clover Hill V.A. Infant & Nursery School
All Angels' Primary Federation

A **BIG Welcome back** to all children *(and their families)* after the summer break. It has been good to see everyone again and have the children back in school. It is great to see how well new children are already settling in.

The start of term is a good time to go over a few of our usual processes.

Safeguarding

Our primary concern is always to keep your child safe. Please make sure you let us know if there is anything worrying your child. ***Make sure we have your most up to date phone, contact and address details.***

We have school processes that keep your child safe. We review our processes regularly. Some false information has been shared online about what school activities take place *(for example, around asylum seekers)*. Please be assured that these claims are not true.

Getting in touch with school

Make sure you check **Tapestry for messages.** You can contact the teacher via Tapestry. We also use emails, texts and Facebook. If you have any problems accessing these, ask at the office.

TAPESTRY
ONLINE LEARNING JOURNAL

You will receive a weekly bulletin. This helps you to know what is happening in the school and what events are planned.

It is better to **contact the school and talk to us** if you are concerned about anything rather than worry at home.

What is my child learning?

Check out our school website for information about our curriculum and other activities. There will be early opportunities for you to meet your child's teacher and look at their work.

www.www.cloverhillschool.co.uk

Booking Lunches and Angels Breakfast Club or After School Club

We use **ParentPay** for booking lunches, clubs and trips. Make sure you book in good time so we know what your intention is for your child.

ParentPay®

School Uniform

You can order school uniform through Screens *(see our website)* or you can buy similar non-logo colours at local supermarkets.

Screens schoolwear

Make sure your child comes in suitable PE kit *(also available through Screens)* on their PE day. As the weather gets colder, a warm **blue or black tracksuit** will keep your child warm.

Please support the school with the correct uniform
