HUGE FUNDING BOOST FOR BOWTHORPE!

We were delighted to hear that the government has selected Bowthorpe to receive funding to further improve the area for the community.

The area has been allocated £2 million per year for 10 years.

The intention behind this amazing programme is to:

- **build thriving places**
- **strengthen communities**
- **empower people to take back control and have a say in what happens in their community.**

We need to know what you think are the priorities for the new Neighbourhood Board as they put plans in place. **Please take time to complete this short survey.**

The results will be sent to our local councillors, Sue and Mike Sands. The survey can be shared with other local residents and can be ***completed by each member of the family***. This is a really exciting time for us in Bowthorpe.

This fund will change lives!

PLEASE click here and fill out the form. Thank you.
