Bowthorpe:
Where Community and Nature Thrive

Thank you for your amazing responses to our survey following the news that Bowthorpe has been awarded **"Pride in Place"** funding by the government.

Here is the main feedback!

Celebrating what makes our neighbourhood special—and shaping its future together.

What we think should be the priorities

1. Support for parents of young children
2. Activities and events for the youth
3. Improved environment
4. Dentistry for children

What we love about Bowthorpe

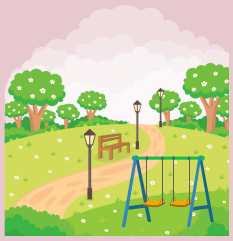

A STRONG SENSE OF COMMUNITY

Bowthorpe shines as a place where people look out for each other. From church events to the village hall and our local magazine, residents value the spirit of togetherness.

DIVERSITY AND INCLUSION

Many of you celebrated Bowthorpe's multicultural character — a community where different cultures live peacefully side by side.

GREEN SPACES AND NATURE

Parks, woodlands, river walks, and wildlife are treasured by residents. Suggestions included adding splash pads, safer walkways, and even a small lake for families to enjoy.

FANTASTIC SCHOOLS

Schools like Clover Hill and St Michael's were praised for their quality and care for children. Families appreciate the safe, family-friendly environment.

THOUGHTFUL DESIGN

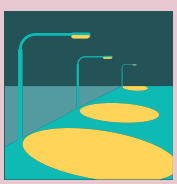

The original planning of Bowthorpe—cycle paths, village centre shops, and easy access to the city and countryside—was highlighted as something that makes life here practical and pleasant.

What we'd like to see

1. More facilities for children and elderly residents.
2. Better lighting on cycle paths.
3. Protection of green spaces from housing developments.
4. Continued efforts to strengthen community spirit and safety.

Your Voice Matters!

Thank you to everyone who shared their thoughts.
Together, we can make Bowthorpe an even better place to live.
