Parent Teacher Association
allangels' primaryfederation

Dear Parents and Carers,

We are pleased to introduce the newly formed PTA for the All Angels Federation, supporting both Clover Hill VA Infant and Nursery School and St Michael's CE VA Junior School.

Our PTA has been set up to actively support both schools by raising funds, bringing our school communities together, and helping to develop exciting projects that enhance the children's learning and play experiences.
Our first major aim is to raise £5,000 to help develop the playgrounds at Clover Hill Infant School. Some of the first projects planned include:

- Development of outdoor learning and role-play areas
- Forest school and wood-chipping areas
- Mud kitchens and construction play zones
- New seating, fencing, and outdoor resources

These projects will help create rich, creative, and engaging outdoor spaces for all children to enjoy.
We would love for parents and carers to get involved. Whether you can spare some time to help at events, support fundraising, donate materials, or offer practical skills, every contribution makes a real difference.

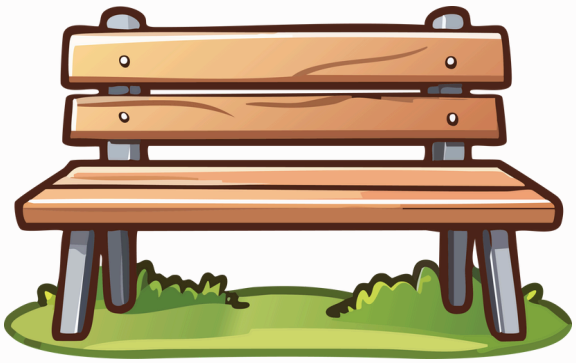

If you are interested in supporting the PTA, offering help, or supplying any materials, please contact the school office:
choffice@allangelsfederation.org.uk
Telephone: 01603 745559

Thank you for your continued support. Together, we can make a huge positive impact for our children and school community.
Kind regards,
All Angels Federation PTA

HUGE FUNDING BOOST FOR BOWTHORPE!

We were delighted to hear that the government has selected **Bowthorpe** to receive funding to further improve the area for the community.

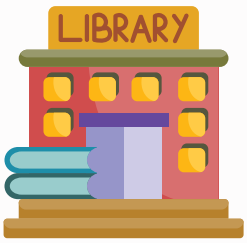

The area has been allocated £2 million per year for 10 years.

The intention behind this amazing programme is to:

- **build thriving places**
- **strengthen communities**
- **empower people to take back control and have a say in what happens in their community.**

Please continue to let your local councillors, Sue and Mike Sands know of your thoughts.

This fund will change lives!
